<kristen.worman@tdcj.texas.gov>**Ms. Worman,**

I had written a letter to you regarding the execution of John Ramirez on September 9, 2020. The reason for my writing is to see if you had made a decision whether or not John's minister can join him in the execution chamber should it go forward on September 9, 2020. Have you or your staff made such a decision?

Best

Eric
